His studied rebuke to the custom of tie-wearing may have more impact on history than the occasion on which the rebuke was noticed. War and peace come and go. Conquered nations do not stay conquered. But once men learn to leave off neckties that will be something posterity will commemorate as a turning point in progress—or at least a turning point.

In distributing the milk of human kindness  
givers too often use the cream.

## Presidential Term Limit Gains Favor With Congressmen

(By Associated Press)

WASHINGTON, Sept. 29.—Limitation on presidential terms is gaining support among Ohio members of congress.

The issue, stemming from discussions over the desirability of any man serving more than two terms, drew new interest in the house today as a senate committee considered it.

At current hearings on five limitation measures before the judiciary committee, Senator Moore (R-Ore.) suggested that President Roosevelt might be alive save for the strain of a third term and part of his fourth term.

Rep. Jenkins (R-Ohio) wants congress to limit the presidential tenure to two terms of four years each. His bill calls for a constitutional amendment subject to ratification by three fourths of the state legislatures.

Rep. Lewis (R-Ohio) also is considering the question. He suggests better government might be achieved if presidents served only one term of six years.

This he added in an interview, would relieve the president of worrying about reelection. Instead, Lewis said, the president would devote himself to making a record of achievement that would give him a high place in history.

Grange Presents Program As Inspection Feature

DAMASCUS, Sept. 29.—An agricultural and fancywork exhibit will be displayed at the next meeting of Garfield grange Oct. 10, when booster night will be observed. The speaker will be Stanley Howard of Salem.

The third degree was exemplified, a tableau was presented, and Miss Mary French and Olin Shoar sang. The program was opened by the entrance of the members of the Juvenile grange, who saluted the flag and America was sung by the group.

## New County Program Adopted By Home Extension Council

Twenty-two Home Extension council members met in Lisbon this week to complete plans for their County Home Economics Extension program.

Rural Homemakers throughout the county will have an opportunity to take part in the following projects:

Short cuts in housekeeping, sugar savers and re-tying of spring filled cushions.

Home Council members set dates for their local meetings and gave names of leaders who will be assisting Erma Ramseyer, home demonstration agent, with the various meetings. Dates for the first series of meetings on short cuts in housekeeping are:

Oct. 23, Butler township; Oct. 25, Elkrum; Oct. 26, Franklin; Oct. 30, Hanoverton; Oct. 31, Salem (community near Sheen's filling station); Nov. 2, Salem (near Perry grange); Nov. 6, North Georgetown;

Nov. 7, Wayne township; Nov. 8, Center township; Nov. 9, Fairfield township; Nov. 15, Unity township; Dec. 4, Calcutta township.

Child Care Study

At three or four series of meetings, two mother's groups will study child care and family relationship problems. Miss Lucille Pepon, specialist in child development, and family life, will meet with the mothers to discuss "Family Cooperation and Keeping our Emotions in Balance." One day will be spent in making and repairing toys.

The first meeting with Miss Pepon will be held with mothers of Fairfield township Oct. 11. Mothers interested in this meeting should get in touch with Mrs. Kenneth Bell, Mrs. Curney Converse or the Agricultural Extension office.

Nov. 1, Miss Alma Garvin, nutrition specialist, will train leaders for the "sugar savers" project. Any club or community group can have this project by selecting a leader to attend the training meeting.

W. E. Stuckey, farm safety specialist, Ohio State university, reviewed for the women the results of the Columbiana county safety survey that was made of all rural accidents during 1944. According to the survey, 98 accidents occurred in Columbiana county last year. Thirteen per cent resulted in permanent partial disability and eight resulted in death.

Some of the new agricultural developments were told to the women by County Agent Floyd Lower.

Achievement Day Set

The women set Wednesday, April 10, as the date for their annual Achievement day. Committees have been appointed to begin working on this annual event.

Their next Home Council meeting will be March 5 at which time they will complete plans for Achievement day.

Mrs. Kenneth Bell, Fairfield township, home council chairman, presided over the business meeting.

## A Breakfast Missed Can't Be Replaced

STATE COLLEGE, Pa.—Just because you skipped breakfast doesn't mean you can make up for it at lunch, according to Dr. Pauline Beery Mack, director of the Ellen H. Richards Institute at Pennsylvania State College.

Dr. Mack pointed out that essential food elements omitted from the morning meal are not compensated for in the remainder of the day's dietary, because at least one-third of the day's calories, protein, vitamins, and minerals come from breakfast.

Poor breakfast habits, she said, are unrelated to age, sex, or income. She explained, however, that the tendency to eat only a meager breakfast or none at all is greater in urban communities than it is in rural districts.

Of 5,000 Pennsylvania men, women and children studied in a survey of breakfast habits, Dr. Mack found that 1,175 ate inadequate breakfasts or no breakfasts whatsoever.

To be nutritionally effective, she advised breakfast should contain some food which "sticks to the ribs," and should not be limited to the traditional rolls and coffee. She also recommended the addition of fruit or fruit juices, whole wheat cereals and milk to the morning menu.

# Salem Trounces East Palestine 35-0 As Boones Run Wild; Leetonia Continues Winning Streak 33-13 Over McDonald

## Brothers Bob And Ted Set Gaining Marks As Quakers Post Initial Win In Three

Ben Barrett's surprise package showed up again last night, and this time there were two premiums in the box—both Boones—as the Salem Quakers posted an impressive 35-0 victory over a bewildered East Palestine Bulldog eleven at East Palestine before approximately 3,000 grid fans.

If there were 3,000 persons jammed around the Bulldog gridiron, at least 1,500 of them must have been from Salem as the Quakers chalked up their initial victory in three starts.

The Boone premiums were definitely the Salem surprises. Started Bob Boone, 161-pound Negro halfback, scored two Salem touchdowns, one extra point, clocked off consistent long, gruelling runs and piled up 201 yards from rushing in 18 tries—an average of 11 yards per run.

He dashed 27 yards for one score and 30 for another. The speedy back made two 15 yard dashes, another good for 30 and a final one for 25 more.

His brother Ted, smaller but just as shifty and fast, went in with the second squad shortly after the half with the score 22-0, and tore off tackle 64 yards for the longest run of the game and a six-pointer.

The lighter Boone crashed through for 94 yards in five tries with the ball, an average that bettered his brother's. He posted a 19-yard per try average.

**Ted Boone Thrills Fans**  
Young Ted, a 140-pound Sophomore also intercepted a Palestine pass which set up Salem's final score, eventually scored by Barrett's third string.

Salem was superior all the way, threatening twice in the first quarter but through sloppy and sluggish play and a costly fumble on the six, losing both chances. Once, when they had marched 45 yards in seven plays to the Bulldog 13, a holding penalty set them back 15 yards and ruined the first chance.

No scoring was done in the first frame, but in the second things began to pay off.

As East Palestine tried to boot out of trouble, Center "Mo" Hollinger broke through the line into the backfield and made a beautiful block of George Libert's kick on the fourth down and Salem took over on the East Palestine eight.

**Hollinger Stars On Line**  
Hollinger's line play was superb all evening being credited with a goodly share of the tackles on defense and later blocking another kick in the end zone to give Salem a two-point addition on a Palestine safety.

From the eight, after Hollinger's first block, Salem went over from the one after Bob Boone had made seven through the middle, ploughing hard all the way. Dan Smith scored the touchdown on a quarter-back sneak. Boone crashed over for the point and it was 7-0.

Smith put Salem down there again by intercepting Libert's pass on the Salem 48. Six plays, including a 30 yard dash by Bob Boone, brought the ball to one yard line, where Ehrhart fumbled and Libert recovered.

Here Hollinger blocked the kick for the safety and it was 9-0.

On the safety kickoff from the Bulldog 20, Salem took over on the Palestine 46 and drove over in five plays. Bob Boone carrying 25 yards on a right tackle offshoot from the single wing to score standing up. Ehrhart crashed left tackle and it was 16-0. The half closed minutes later.

**Boone Scores Easily**  
Palestine kicked-off in the second half and Salem's first string took just six plays to go 60 yards for the third touchdown. Moving down to the Bulldog 30 in five plays, including a hard dash by Ehrhart for 13, Bob Boone broke through right tackle and outran the field for a 30-yard sprint and six more points. Ehrhart's plunge was not good and it was 22-0.

Here the second outfit entered the game, but the pace didn't slow down a bit.

The balance of the third quarter was fought in mid-field with Salem holding the edge in yardage consistently.

The Salem second string took over on their own 23 as the fourth period opened. In two plays they had six points.

**Ted Boone Sprints**  
Howard Herrington ripped through for 13 yards, bringing the ball to the Quaker 36. On the next play young Ted Boone literally flew off his own right tackle, side-stepped four would be tacklers and dashed madly for the sidelines, where he outran a field of three pursuers for some 64 yards and the score.

Jimmie Laughlin sneaked it over from his quarterback job for the extra and Salem led 28-0.

A minute and a half later, Ted Boone leapt high to snag Libert's pass on the Palestine 43 and returned it to the Bulldog 27. In seven plays the third team pushed it over after Boone had gained 18 yards on two plays before leaving the game.

Jack Crawford rushed through a hole in center to score from the three. The extra point plunge failed and the 35 point total was made.

Salem's superiority is no better revealed than in a comparison of the statistics. The locals rushed through for 340 yards while the losers got only 64 through the

Quaker line. Salem had a 16-6 edge in first downs. The first string piled up 283 of those yards before being taken out early in the third quarter.

**Bulldog Passing Good**  
Palestine passed 12 times, completed six and had a pair intercepted. They gained 62 yards through the air to Salem's zero.

On kicks, Smith looked good again, booting twice for 42 yards each time. The Quaker average was 30 for four tries. Palestine's Libert booted twice, average 35 yards.

Outstanding for Salem on the first string line were Louis Juliano, Hollinger and John Szymczyk. Carl Flick showed improvement and Dick Gottschling turned in a good quarter and a half at end.

The Quaker line was firm after the first quarter, it hit hard on defense and opened nice wide holes for galloping backs, who were running harder and thinking a bit faster this week.

The 35-0 score, however, is not indicative of a great deal in comparison with Leetonia's 13-6 victory over the Bulldogs. The losers were without their one-man backfield—Bobby Wade—who was not even dressed for the game.

Leetonia met the Bulldogs at full strength; Salem did not.

## Ramming The Ram Toughens Grigger's Noggin

One of the most unusual pieces of football training equipment is that used by Fullback Johnny Corbisiero, Medford, Mass., member of the Merchant Marine academy grid squad at Kings Point, N. Y. Here he is trying it out—locking horns with "Neptune," mascot ram of the team. Pedigreed Persian was sworn in as a cadet midshipman with all privileges pertaining thereto.

## POTTERS SQUELCH ALLIANCE 27 TO 0

### Show Power That Rates High In Triumph Over Alliance

**ALLIANCE**, Sept. 28 — Power-busting with an impressiveness that rates them among the state's best, Coach Don Odgen's East Liverpool Potters rolled over Alliance 27-0 here last night before 6,000 fans.

Henry Pack scored the first Potter tally of the evening on the third play of the game, crashing over from the one foot line after a Liverpool recovery of an Aviator fumble on the five.

Chuck Spenser, 170 back, took the track meet form to dash 90-yards in the second from for the No. 2 tally. Chuck Means took a 19-yard pass from Bob Ward in the second to score the third touchdown.

Ward crashed five yards, untouched around right end, to end a 62 yard drive after the second half kick-off to make the Potter total.

Rudy Trbovich, 220-pounds of kicking ability, placed three between the uprights for the extra points.

East Liverpool gained 13 first downs to seven for Alliance. The Potters have now won two and tied one in three games.

## Freak Groundhog Killed On Farm by Salem Man

J. G. Steward, 925 S. Union ave., topped himself an unusual groundhog while hunting on the Richards farm on the Goshen road.

Shot and wounded by a shotgun, the animal refused to give in and was finally killed with a large rock after a five-minute battle.

He weighed 18 pounds, was about a year old, and had two elongated upper teeth which curved back through the snout bone and protruded through the snout a second time. The lower two fangs were two inches long, exceptionally long for such a rodent.

Seward killed the animal, saved the head bones and teeth and hopes to have them mounted. He says he has killed thousands but has never seen one with similar fangs.

**North Randall Closes**  
CLEVELAND, Sept. 29.—North Randall winds up its 1945 racing season today with an eight-race program featured by the \$5,000 Au Revoir handicap at a mile and sixteenth. Elmer Wright, the meeting's leading jockey with 43 victories, was astride three winners yesterday.

The London steel bridge was constructed 20 years ago to relieve traffic on the stone Waterloo bridge, the National Geographic society recalls. One of the old stone piers had sunk more than two feet by 1923, raising a question of repairing or rebuilding. Despite many protests, it was finally decided to replace it, and a new stone Waterloo bridge was begun in 1937. It was opened in 1942.

## ATHLETICS FACE TWO TOUGH GAMES

Salem's Athletics, finishing up their 1945 baseball season, will have a tough weekend ahead of them today and Sunday.

The locals will travel to Alliance this afternoon to meet the Athenian club at the Lake park diamond at 2:30 p. m. and tomorrow will entertain the strong Canton All-Stars at Centennial park at 2:30.

Canton brings a star-laden squad here Sunday, one that should test the strength of the best Salem can offer.

One of the largest crowds of the season is expected at the park to witness the Sunday contest, which will be one of the final games of the season.

## Fairfield Defeats North Lima 19-0

Mert Chmura smashed the center for one yard and a score in the fourth.

## M'KINLEY BEATEN, MASSILLON TIED IN FRIDAY TILTS

Warren Tops Bulldogs 32-12 In Battle at Warren High Stadium

By HAROLD HARRISON, Associated Press Sports Writer

Canton McKinley and Massillon were hurt badly yesterday (Friday) and their wounds were sore. It was mighty painful to look at the scoreboard and read:

Warren 32, Canton McKinley 12.  
Massillon 0, Canton Lincoln 0 (tie).

No one ever got much fun out of being licked, and certainly there "ain't" much fun in finishing in a tie.

But to get down to the serious part of Ohio's high school football, last night was something to write home about. In addition to Canton McKinley's second straight beating from Warren and Canton Lincoln's tie with Massillon, there was a beating absorbed by Toledo Libbey.

The final score was Waite 6, Libbey 0, and Libbey was one of a few teams which breezed through the 1944 season without a defeat or a tie.

Also rolling another step toward possible state title honors was Newark, which pinned a 32 to 8 beating on Dover.

Other results were:  
Salem 35, East Palestine 0.  
Louisville 35, Sebring 7.  
East Liverpool 27, Alliance 0.  
Leetonia 32, McDonald 13.  
Fairfield 19, North Lima 0.

Canton 19, Goshen 7.  
Newark 32, Dover 8.  
Warren 32, Canton McKinley 12.  
Kent State 12, Norton 7.  
Youngstown Ursuline 20, Youngstown East 13.

Martins Ferry 13, Wheeling (W. Va.) 0.  
Akron South 7, Akron Kenmore 0.  
Massillon 0, Canton Lincoln 0 (tie).

Akron Garfield 0, New Philadelphia 0 (tie).  
Canton Lehman 13, Wooster 0.  
Youngstown Rayen 12, Canton Timken 0.

Akron East 0, Akron West 0 (tie).  
Campbell Memorial 12, Niles 0.  
Struthers 0, Girard 0.  
Weirton (W. Va.) 18, Stubeville 0.

Clearview 7, Rocky River 0.  
Youngstown South 19, Cleveland Shaw 6.

**Baldwin-Wallace Beats Ohio Wesleyan, 33 to 20**  
BEREA, Sept. 29.—The Baldwin Wallace Yellow Jackets defeated the Ohio Wesleyan's Battling Bishops 33 to 20 last night in a free-scoring gridiron battle highlighted by a 58-yard dash over the goal line by Freshman Quarterback Dick Selo.

## BEARS' BACKS SHOW VARIETY

Pat Mancuso Shines As Leetonia Chalks Up Third Victory

Leetonia's power continued to roll yesterday afternoon at McDonald as they laced the Mahoning county lads 33-13.

Displaying versatility again in the backfield, Coach Charlie Mather's charges rolled over the less experienced McDonald men with little trouble.

Larry Duco started things off in a hurry by scampering 55 yards on the kickoff to bring the ball to the McDonald 30 yard line. Leetonia drove to the 15 but a penalty held them from scoring.

Shortly afterwards Pat Mancuso blocked a kick by Bill Woods and Leetonia took over on the one yard line.

Duco skirted the end and went over. Mancuso's kick was no good.

**Pass Clicks**  
Mancuso starred again in the later minutes of the first frame as he stole the ball from Woods as he tried left tackle on his own 40. Leetonia moved down the field, lost the ball and took over again as McDonald punted out.

Leetonia drove 10 yards for the second score, Mancuso taking Sammy Stumpo's pass for a 33-yard gain and the touchdown. The Leetonia end dropped the point and it was 13-0 as the half closed.

Shortly after the opening of the second half Mancuso made a beautiful catch of Stumpo's bullet pass over the center of the line to bring the ball to the McDonald two after gaining 28 on the play.

Stumpo tried the center of the line and scored. Another drop-kick failed and Leetonia led 19-0.

Another Bear score made it 26-0 before Coach Mather took his first string out late in the third.

McDonald's Negro star, Ed Grant, led two sustained drives against the reserves to score twice, and Leetonia's first stringer barged in again to add another tally for the 33-13 tally.

## DAMASCUS BUYS FIRE TRUCK, PUMP

DAMASCUS, Sept. 29.—Officers of the Damascus Volunteer Fire department and M. L. Hane met with Salem officials recently and purchased the fire truck and pump which have been in use here.

This equipment was loaned by the Office of Civilian Defense through the cooperation of the Salem fire department.

The pump unit is mounted on a trailer and has a gas engine pump capacity of 500 gallons of water a minute. This is equal to most pumps owned by neighboring departments.

It is hoped in the near future to be able to procure a used truck so the pump unit can be mounted on it and include a large tank on the truck filled with water for emergency. The department was fortunate enough to secure 1,200 feet of hose.

## Boyle's COLUMN

BY HAL BOYLE

ABOARD NAVY TRANSPORT, Western Pacific, (Delayed)—Sailors like to spin yarns and trade experiences in the long hours aboard ship between dusk and bunktime. So do correspondents.

When you get them together they really fan the breeze. It was at one of these sessions that a naval officer told the story of the soldier who died for a crime he never committed.

"It happened on one of those Pacific islands we took as hopping stones months ago," began the naval officer. "We had had the place cleaned out for some days and there were no more Japs around. No live ones at least. The army had set up a field hospital near the shore.

"In the hospital was a young nurse who had fallen in love with a young army officer. She managed to slip out for a few hours one night and they were walking along the beach—probably talking over their plans after the war.

"It wasn't a bad place to be. You know those islands are hotter than hell in daytime, but on good nights you get a breeze from the sea. And I guess even hell would look nice if you were walking through it by moonlight with your best girl.

"They came to a secluded stretch of sand away from any camp, and they sat down together on the beach and looked out at the sea.

"The couple thought they were alone. But envious eyes watched them from a clump of darkness behind them. Then hands reached out and struck from the darkness and the army officer was dead and still.

"You can imagine what happened to the girl," the naval officer continued. "Then she was killed, too. And both bodies were buried in the sand. But their graves had been scooped hurriedly and were too shallow. In the morning the tide had washed away the sand and left the army officer's hand sticking out. Someone saw it. Both bodies were soon recovered.

"The murders created a sensation all over the island. Double killings like that aren't exactly an everyday feature of army life. For days nobody talked much of anything else.

"But the big question remained unsolved. Who had done it?"

Finally a shell-shocked soldier in one of the hospital wards told one of the nurses he had done it. She called a doctor and the soldier repeated his story. He said he had escaped from the hospital at night, crept up on the young couple by the shore and killed both. He said he wanted to confess the crimes and clear his conscience.

"I did it," he cried in remorse over and over again. "I killed them. I'll have to pay in some way for killing them."

The nurses and doctors didn't believe his story. They checked in every way and found it impossible. They decided he had overheard other nurses talking about the case and that the idea of personal guilt had been implanted in his already troubled irrational mind. Their refusal to believe him only made him angrier.

"I did it," he kept repeating. "I will have to pay in some way." And pay he did.

## The World Today

(Continued from Page 1)

dangers of fraternizing with wild animals. Both of them are cleaning house in their respective territories with a stern energy that can only bring good results.

Two points are receiving special emphasis in both Germany and Japan. All militarists and Nazis, and other sections of the populations which are refusing to cooperate fully with the forces of occupation, are being eliminated from public office, even unimportant places. And the hunt for war criminals is being carried on with a gratifying thoroughness which is producing a long list of people who must pay for the murder and torture of Allied prisoners of war.

So much for fraternization and mistaken kindness. There still is a way in which we can show the Germans and Japanese "what a great people we are," and we are in process of putting that into effect. Sam is planning on a large scale feeding program, with Allied help, in Germany this winter. He may have to do the same for Japan.

That's the sort of fraternity the Japs and Hitlerites can understand. Hungry folk think with their bellies.

On the serious side, Halsey commented:

"McArthur, if they will leave him alone and tell him what they want," will see that Japan never rises "beyond a fifth rate nation which it now is."

Compulsory military training is a necessity.

The atomic bomb will be "countered."

"The doughboy and the navy always will be needed."
